

OPEN@WORK AT DELOITTE.

Deloitte Belgium is proud to introduce the first Open@Work session at Gateway!

GLOBE, Deloitte's LGBT+ network, supports our overall goal of building an environment in which all our people feel valued, accepted, and able to be their authentic selves. By rallying together throughout the year, our LGBT+ members and allies meet and discuss relevant topics around Diversity and Inclusion with interesting keynote speakers with the aim to provide all of our professionals with the opportunity to grow.

Open@Work is a joint initiative aiming at connecting LGBT+ people and support networks across companies. The three main goals of this initiative are: building a cross-company network, focusing on 'out in the workplace', joining forces in creating an inclusive work environment for the LGBT+ community, and exchanging good practices on LGBT+ and ally company networks.

THURSDAY, 12 SEPTEMBER 2019

Programme

6 pm: Welcome by Tom Declercq, Deloitte Managing Partner and Sponsoring Partner Diversity & Inclusion
